Our Toys and Equipment

We have lots of different things to play with including a TV for movie afternoons, a nintendo swtich for some gaming time and our calm corner with Tonie box to listen to some stories or read a book. Below is some of the toys we have inside and outside.

Aberlady All Stars and Other

Important Things

At our breakfast and after school club we want to make sure everyone is safe and happy. Everything you do at club is your choice, you can choose to play inside or outside, if there is no toys out you like you can come and choose something else to play with and we will always be asking if theres other things you would like or to do.

To make sure everyone is safe and happy we have our Shanarri Super Star boundaries including being kind, listening to others and respecting the toys and equipment.

You can find out what we have planned on the day you are in the club on our notice board, this is where we display our snack and activity plans for the week.

We like to do lots of activities including making slime, baking, planting, hamma beads, celebrating lots of different holidays, Halloween, Summer and Christmas parties. If you have an idea of something you would like to do at club please let us know and we can make sure we plan this for you!

Your rights are important to us, through displays and activities we discuss and learn more about them. We also ensure we are getting it right for you, this means we make sure you are safe, healthy, achieving, nurtured, active, respected and responsible. We do this through discussions, displays and activites. If you ever feel your rights are not being met or we are not getting it right for you please let a staff member know!
